MINERALOGICAL SOCIETY OF AMERICA MEMBERSHIP AND SUBSCRIPTION INFORMATION

Membership: Membership in The Mineralogical Society of America is open to persons interested in the fields of mineralogy, petrography, crystallography and allied sciences. Prospective members should obtain an application blank from the Treasurer. Upon the return of the blank to the Treasurer, properly filled out and accompanied by a remittance of $8.00 for annual dues, his name will be added to the mailing and membership list. Members who are students shall pay annual dues of $4.00. Membership includes receipt of the Society's journal, *The American Mineralogist*. Membership is effective as of January of each year and members receive all numbers of the journal for the year. Dues may be remitted directly to the Treasurer or through an agent, payable to The Mineralogical Society of America. No discount is allowed agents on membership dues. Memberships are personal and may not be held in order to obtain the lower rate for the journal for organization use.

Fellowship: Fellows of The Mineralogical Society of America are individuals who have published results of research in mineralogy, petrography, crystallography, or allied sciences, and who, upon nomination by the Council, are elected. Fellowship dues are $8.00 annually and may be remitted in the same manner as membership dues.

Subscriptions: Subscriptions to *The American Mineralogist* are available to libraries, colleges, institutions, companies, and similar organizations. Subscriptions are accepted for the calendar year (January-December) only and for not less than one year. For orders placed during the year, back numbers from January are supplied after the subscriber is placed on the mailing list. The annual subscription rate is $10.00 U.S. funds. The usual 10% discount is allowed dealers and agents who remit payment with the order. No discount is allowed when an invoice is requested. All orders, checks, and drafts are to be made payable in U.S. dollars to The Mineralogical Society of America, and sent to the Treasurer. The name and address of the subscriber to whom the Journal is to be sent and for whom remittances are made should be very clearly indicated. Agents who wish the subscription sent through them should indicate for whom it is ordered.
